

VariDesk® Cube Plus® 48

vari®

The Cube Plus® 48 gives you a wide, generous work space in a cube-friendly, slim profile. It features a two-tier design with a separate keyboard deck, an upper display area that can fit a dual-monitor setup, and a weighted base that keeps it steady and stable at any height.

- 9 Height Settings
- Spring-Assisted Lift
- Compatible with All Vari Monitor Arms
- Ships Fully-Assembled
- Supports up to 35 lb (15.9 kg)
